Minutes of the meeting on 18 April 2018: Read and agreed

Matters arising:

Meeting with representatives from the PCC: A meeting took place on 16 May to discuss use of the Church Hall for events and ways of increasing bookings to help cover running costs. It was agreed that the secretaries of BVA and PCC would liaise about any possible shared events.

Local History Cafe Project: A funding bid has been submitted to Derbyshire Community Priorities Programme, Decision awaited.

Italian Evening: The cost of a wine tasting was too expensive for this occasion so ticket holders will be invited to bring their own wine.

Litter Pick: This event has been postponed due to safety concerns (in particular due to the growth of the hedgerows and poor visibility.)

Derbyshire Open Arts: Mike following up. Christine will write to PCC secretary to begin discussions about a possible joint event for the late May Bank Holiday 2019. An Arts themed event including village participation (decorated doors; treasure hunt; art trail) to be discussed further.

Welcome to new residents: When we are aware of people moving into the village we will take them a welcome card and copy of the Bulletin. **Catherine will purchase 12 cards and write a welcome message that can be attached.**
